## NEED A RUGGED YET AFFORDABLE UTV FOR WORK AND PLAY?

**SLIDE INTO AN XRT950.** You'll get full-sized features, performance and comfort for a mid-sized price. This gasoline-powered vehicle comes in two- or four-wheel drive models, both with a powerful 13 hp (10.3 kW) engine. It's good for everything from hunting to ranching to hobby farming to horse-breeding to beachfront living to business applications. This workhorse carries 425 lb (193 kg) of cargo and tops out at 25 mph (40 kph).

The only vehicle in its class with independent rear suspension, the XRT950 is equipped with 25-in (635-mm) all-terrain tires. So you can cover rugged terrain and still maintain a smooth ride. With the XRT950, you'll experience:

- **Improved Performance and Safety.** The XRT950 delivers more horsepower and torque than any vehicle in its class. It's the only vehicle in its class with an independent rear suspension. And it has four-wheel hydraulic disc brakes for more efficient braking, especially downhill. It also comes with seatbelts and a four-point roll-over protection system.
- **Increased Ground Clearance.** With 9 in (23 cm) of clearance, the vehicle can take you into the woods, around the marina and on to the beach.
- **More Space for You and Your gear.** You'll enjoy an extra wide bench seat, best-in-class legroom, a spacious cargo bed and under-hood storage.

Whether you need a utility vehicle for work, play or both, the XRT950 will deliver unsurpassed performance, superior value and years of outdoor fun.
